Students are asked to participation in the mass and to assume the roles of lectors, alter servers, ushers, choir members or gift bearers on a volunteer basis. Students are also required to fulfill Spiritual and community service hours, which are applied toward confirmation requirements.

All high school students will sign-in at masses each weekend as well as on Holy Days of Obligation. Class binders will be located on the table at the back of church. If a student attends mass out of town, they are to present a bulletin from the church they attended that weekend at the next class to their teacher.
